PRODUCT INFORMATION SHEET

ANTI-BAC FOAM SOAP

Product SDS

ANTI-BACTERIAL HAND CLEANER

An unperfumed foaming hand soap with anti-microbial properties that thoroughly cleans hands with a smooth, creamy lather. Contains skin conditioning properties to help moisturise skin and keep hands from drying out.

DIRECTIONS

Apply directly from dispenser onto hands.

Work into hands creating a lather and rinse off. Repeat if required.

APPLICATIONS

Unperfumed anti-bacterial foaming hand soap for areas requiring hand washing or high-use washroom environments such as food processing or food service.
