COMMERCIAL BLEACH

COMMERCIAL CHLORINE BLEACH

High-strength bleach suitable for a variety of domestic and commercial applications. Effective as a cleaner and also as a powerful chlorine sanitiser. Effective against a wide range of bacteria, fungi and algae.

DIRECTIONS

Dilute into a clean mop bucket at a ratio of 50mls to 10ltrs of water. Mop janitorial floor areas as required.

Laundry: Dilute at 1:20

Kitchens & Bathrooms: Dilute at 1:50

Outdoors: Dilute at 1:1 to kill moss, mould and mildew.

Not recommended for use on coloured or sensitive garments as streaking, fading or other deterioration could result. Never use on wool or silk.

APPLICATIONS

Effective in a variety of applications, including laundry, janitorial applications, sanitising & outdoor moss and mildew control.
