LIQUID LAUNDRY DETERGENT

CONCENTRATED LAUNDRY LIQUID

Suitable for all domestic and commercial laundry cleaning. Formulated for economy applications, yet provides exceptional cleaning. It enhances fabric appearance in all hospitality, on-premise or domestic applications and is suitable on a wide variety of garments. Good results in hot or cold water.

DIRECTIONS

No direct contact to fabric, always dilute with water. Light cleaning: 40ml per load.

Medium cleaning: 60ml per load. Heavy cleaning: 80ml per load.

(Standard load = 4-5kg dry weight laundry).

APPLICATIONS

For use in top-loading and front-loading commercial & domestic washing machines.

Leaves laundry with a fresh floral fragrance.
