# COMMERCIAL BLEACH

## COMMERCIAL CHLORINE BLEACH

High-strength bleach suitable for a variety of domestic and commercial applications. Effective as a cleaner and also as a powerful chlorine sanitiser. Effective against a wide range of bacteria, fungi and algae.

### DIRECTIONS

Dilute into a clean mop bucket at a ratio of 50mls to 10ltrs of water. Mop janitorial floor areas as required.

Laundry: Dilute at 1:20

Kitchens & Bathrooms: Dilute at 1:50

Outdoors: Dilute at 1:1 to kill moss, mould and mildew.

Not recommended for use on coloured or sensitive garments as streaking, fading or other deterioration could result. Never use on wool or silk.

### APPLICATIONS

Effective in a variety of applications, including laundry, janitorial applications, sanitising & outdoor moss and mildew control.

5 litres makes  
up to 500 litres  
of disinfectant
