CREAM CLEANSER

NATURAL ABRASIVE CREAM CLEANSER

Cleansing agent with a fine natural abrasive, powerful enough to remove soil and soap residue, yet gentle enough to do so without harsh scratching. Suitable for cleaning kitchen and bathroom surfaces. Septic tank safe, when used as directed.

DIRECTIONS

Use a foaming nozzle to spray undiluted product directly onto surfaces. Leave for a few minutes to work on the soiling, then wipe off and rinse with potable water. For heavily soiled surfaces a brush or non-scratching white pad or nylon netting may be used.

Before use, all edible product and packaging material must be removed from the room.

After using this compound, food surfaces must be thoroughly rinsed with potable water before production starts.

APPLICATIONS

Kitchen and bathroom surfaces needing a deep-cleanse to remove build-up of residues such as food, shower scum, bath soap and body-fat soiling.

MPI APPROVAL

MPI Approved C32 (All Animal Product Except Dairy)

Dishes and equipment may be washed immediately or left to soak to improve results. May be rinsed prior to air or clean towel drying.

In food processing premises **operating under an RMP**, after using this compound, food contact surfaces must be thoroughly rinsed with potable water before production starts.

- MINIMAL RESIDUE
- FREE-RINSING
- POWERFUL ON STUBBORN STAINS
- MINIMISES HARSH SCRATCHING

Applicator: BK-ACCC01
5L: FK-ACCC05
