Product ID

CLEANER & DISINFECTANT

A powerful, mild pH disinfectant cleaner suitable for cleaning and sanitising hard surfaces such as floors, walls, benches, bathroom and kitchen surfaces and leaves a lingering fragrance. Septic tank safe, when used as directed.

Dilute with warm or cold water from 1:20 for heavy duty cleaning, to 1:50 for light cleaning and bacterial control. Can be used undiluted for the cleaning of toilet bowls.

Great one-step cleaner/sanitiser for a variety of hard surfaces:
Bathrooms - Basins, vanity fronts & cabinets
Kitchens - Walls, floors, benchtops, tables & appliance fronts

MPI Approved C32 (All Animal Product Except Dairy)

Dishes and equipment may be washed immediately or left to soak to improve results. May be rinsed prior to air or clean towel drying.

In food processing premises **operating under an RMP**, after using this compound, food contact surfaces must be thoroughly rinsed with potable water before production starts.

5 litres makes up to 500 litres of ready to use mopping solution*

- MILD PH
