

FRAGRANCED FLOWING HAND SOAP

PERFUMED FLOWING HAND CLEANER

Universal perfumed flowing hand cleaner with a rich jasmine fragrance.
Cleans effectively while being gentle on hands, with skin conditioning properties that keep hands moist and supple.

DIRECTIONS

Apply directly onto hands from the dispenser (2ml per dispenser plunge).
Work hands together into a smooth lather then rinse hands thoroughly with water.
Repeat if required.

APPLICATIONS

Perfumed flowing hand soap for areas requiring hand washing or high-use washroom environments.
