PRODUCT INFORMATION SHEET

Product ID

HEAVY DUTY PUMICE-BASED HAND CLEANER

A citrus-fragranced heavy-duty hand cleaner containing pumice that thoroughly cleans difficult embedded soiling from hands, such as automotive grease, ink and carbon. Contains lanolin to moisturise and condition the skin.

- Plunge directly onto palm of hand (4ml plunge).
- Work into a lather.
- Rinse off with water or wipe off on a clean cloth or paper towel.
- Repeat if required.

For general and heavy-duty hand cleaning, especially in environments that incur heavy soiling from oil and carbon such as automotive workshops or factories.

5 litres is
equal to 1250
hand washes*
